

## ALPINE ONTARIO ALPIN POLICIES

WRITTEN: OCTOBER 2015

**REVISED: MARCH 2018**

### **2.0 DOPING POLICY**

#### *Policy Objective:*

AOA, under the governance of ACA and WADA has a strict non-tolerance for doping practices in Alpine Racing as it denounces their culture of fair play. It is each athlete's duty to ensure that they are not putting any illegal substance in their bodies for the purposes of personal or performance enhancement. AOA wishes to educate its members to eliminate the use of prohibited substances in the sport.

#### *Application of Policy:*

**This policy is compliant with Alpine Canada Alpin, WADA and Sport Canada.**

- (a) The Athlete acknowledges that he or she has reviewed Sport Canada's Policies on doping and banned substances (all information can be found at [www.cces.ca](http://www.cces.ca)).
- (b) The Athlete agrees to observe and comply with Sport Canada's Policies on doping and banned substances.
- (c) The Athlete agrees to refrain from consuming alcohol and using recreational drugs at all times during the Term.
- (d) The Athlete agrees to be available at any time, without notice, to be tested for banned and restricted substances as provided for by the Sport Canada Policies.
- (e) The Athlete agrees to conduct himself or herself in a manner appropriate to a professional athlete who upholds the reputation of AOA. The Athlete shall not engage in any illegal, immoral or other such behaviour which would bring the

reputation of AOA into disrepute during the Term of this Agreement.
