PATH TO THE PODIUM FUNDRAISER 2025

What an evening!

An enthusiastic crowd at **Georgian Peaks Ski Club** came together for the first-ever gathering of **Canada's Hahnenkamm champions**. With Rod Black, former CTV Sports Broadcaster, guiding the conversation, our four winners shared incredible stories of racing the world's toughest downhill. It was a truly historic moment for Canadian ski racing fans.

Your generosity and energy made all the difference. Thanks to spirited bidding and heartfelt support, we've raised critical funds to help five Canadian athletes with Escarpment roots, **Kyle Blandford, Jack Crawford, Ali Nullmeyer, Jeffrey and Erik Read**, on their journey to Milan-Cortina this February. In addition, your contributions will strengthen Alpine Ontario's development pathway, ensuring the next generation of athletes will have additional coaching capacity and resources this season.

To relive the magic of the evening, take a look at this short recap prepared by our incredible Director/Producer, Jeff MacInnis. [THANK YOU FOR BEING WITH US - WATCH RECAP VIDEO HERE!](#)

On behalf of the entire organizing committee, thank you for being part of this milestone event. Your support fuels dreams and podium moments.

ALPINE CANADA ALPIN

Your Voice *Matters!* **Participate in the Ski Racing Survey**

Dear Alpine Ontario Community,

In partnership with Alpine Canada, we are excited to share a national survey that serves to better understand the value of skiing and ski racing across Canada. The survey explores the behavior, travel patterns, and spend of skiers, ski racers, and their families at ski resorts and clubs, and will support data-driven decision-making to address challenges, inform opportunities, and strengthen collaboration across the sport.

By sharing your input, you will help to shape the future of ski racing in Canada and improve programs and partnerships in Ontario.

The survey takes **15-20 minutes**, and all responses are **anonymous and confidential**.

Complete the **[SURVEY HERE](#)**

Your feedback is critical to shaping the future of skiing in Canada. Thank you for participating.
