2025 ATHLETE DEVELOPMENT PROGRAM REVIEW

The 2025 Athlete Development Program (ADP) wrapped up its final camp this fall, completing a three-project training series across Sunshine Village, El Colorado, and Hintertux. With a renewed focus on skill progression, strong fundamentals, and a consistent coaching approach, this year's program delivered an exceptional development experience for athletes across the province.

From free-ski fundamentals to structured drill work and full-course training, athletes made meaningful gains and built confidence heading into the race season.

ONTARIO SKI TEAM WOMEN - ONTARIO DEVO SKI TEAM

Mt Sima, Yukon

Conditions have been fantastic in the Yukon ❄️💙 as the **Ontario Ski Team women and Ontario Devo Team** kicked off their training block together up north. Sharing lanes, pushing each other, and building momentum as one unified group has set an incredible tone for the season ahead.

Both teams opened their race season at the **FIS Aurora Cup** — the perfect opportunity for early starts, shaking off the butterflies, and gaining confidence heading into winter.

A huge shoutout to **Emma James** for an outstanding performance: **4th overall in slalom and 2nd in U19!** 🔥🏂

Great energy, great skiing, and a great start for both teams. - **Let's keep it rolling!**

Honouring James 'Jim' McManus

As many of you may already know, Jim McManus passed away recently.

His sincere demeanor and positivity immediately touched anyone who met Jim. He was someone who cared deeply for the viability of ski racing in London at Boler Mountain

Our AOA Coach Development Manager, Jacques Reid recalls 'I had many conversations with Jim on how to help the LSC Racing coaches become better at coaching. I will miss these chats, and I will miss his enthusiasm for ski racing and life as a whole.'

Alpine Ontario sends its deepest condolences to Jim's family and friends and the London Ski Club community.
