SOUTHERN ONTARIO DIVISION · ALPINE ONTARIO ALPIN

SOD Coaches Bursary

2026/27 Coach Development | Application Form

The Southern Ontario Division (SOD) is offering **$3,000 in total bursary funding** to support coaches pursuing further education and development in ski racing. SOD will offer **six $500 bursaries** to applicants that meet the eligibility requirements below.

Eligibility	Funding may be requested for coaching courses beyond the EL (Entry Level) course, including DL and PL courses. Eligible expenses include course and clinic registration fees, required lift passes and reasonable out-of-region travel expenses. Bursaries are intended to support eligible expenses not currently reimbursed by the applicant's club or another source. Coaches should apply first to other available funding sources, including the Coaches Ontario NCCP Coach Bursary Program. Please disclose any club or other funding toward the course, as SOD wants to best support coaches who are not receiving funding from other outside sources.
Submission timeline	Applications may be submitted throughout the season as eligible expenses are incurred.
Submission process	Coaches submit requests through their affiliated club to its designated SOD Club Representative. The representative reviews requests for completeness and eligibility and forwards approved requests to Tori Johnson for processing by the SOD Committee, who will make the decision on which applicants are successful. Email: **tjohnston@alpineontario.ca**
